First Zoom SHiNA Board Meeting, greetings, all fine and adjusting to being limited inside.

Fred suggested that the SHiNA Member Email List should be used for greater neighborhood communications since there will be no in person general meetings during the pandemic.

Nora discussed getting the word out around dogs needing to be on a leash when they are outside the dog park fenced section in Wayne Morse Family Farm.

Ron discussed the Recover program.

Ralph to re-cork bulletin board in the dog park.

Wards 1, 2 & 8 are within the SHiNA boundaries, all three of these seats on the Eugene City Council are open for elections and were discussed. Kate Davidson & Matt Keating are running for Ward 2. Pete offered to come up with 5 questions for them to respond to so their answers can be posted on the SHiNA website. Question suggestions included asking about solar protection, setbacks & preserving 30 year old trees re HB2001; West 28 Avenue traffic calming; removing older affordable housing & gentrification; short term rentals impact on neighbors; and long term rentals & affordability.

Janet asked if SHiNA should offer masks or hand sanitizer to its members. Jefferson Westside Neighbors made hand sanitizer for their members. No interest was stated.

Next Meeting: To Be Determined
